Explanatory Note

This Amendment is being laid by the Committee *for* Employment & Social Security ("the Committee") as a technical amendment to the Committee's original proposals to correct a minor error in the wording of Proposition 5.

The Committee is proposing that the weekly rates of respite care benefit are set on 5th January 2026 only. It is not proposed that these rates be changed on 6th July 2026. This is in line with Table 12 of the Policy Letter entitled "Contributory Benefit and Contribution Rates for 2026".

This amendment therefore removes an erroneous reference to 6th July 2026 but makes no other amendments to the original proposal.
