Explanatory Note

The States of Deliberation's procedures are set out by the Rules of Procedure of the States of Deliberation and under Article 7(1) of the Reform (Guernsey) Law, 1948 the States of Deliberation may by resolution "vary, revoke or suspend such Rules or any of them". This is a motion under Article 7(1) which seeks to permit a period of questions prior to the voting for the election of a member of the Policy & Resources Committee.

The election for members of the Policy & Resources Committee is governed by Rule 16(5) of the Rules of Procedure. Such elections are already treated differently to the elections of members when compared with other States' Committees to recognise the Policy & Resources Committee's position as the Senior Committee. However, the current time period specified by this motion to vary can afford the States of Deliberation sufficient opportunity to scrutinise candidates for the Senior Committee.

The motion would prescribe how the question time would be carried out and mirrors the period of questions that takes place in the election of a President.
