Dear Deputy St Pier,

RE: Amendment to The Tattooing, Piercing, Acupuncture and Electrolysis (Guernsey and Alderney) Law, 2000 – “Age Limits for Body Piercing” Requête

Thank you for your email of 22nd October 2025, in which you requested this Committee’s views on a draft Requête intended to amend *The Tattooing, Piercing, Acupuncture and Electrolysis (Guernsey and Alderney) Law, 2000*.

The Committee *for* Health and Social Care considered this matter at its meeting on 3rd December 2025 and agreed that it would not adopt a formal position on the Requête.

It will be a matter for individual Committee Members to determine whether they wish to sign the Requête and, if the Requête is lodged, whether they choose to vote in favour of it or not.

Yours sincerely

Deputy George Oswald
President
Committee *for* Health & Social Care
