AMENDMENT

Proposed by: Deputy R Curgenvén

2. To insert, in Proposition 17(b), immediately after the words “paragraph 6.27” the following words “, subject to a reduction of £638,000 for the Overseas Aid & Development Commission and the subsequent aggregate Committee expenditure”.

Rule 4(1) Information

- a) The proposition contributes to the States’ objectives and policy plans by contributing to a balanced budget without harming services for the Guernsey taxpayer.
- b) In preparing this proposition limited consultation has taken place.
- c) The proposition has been submitted to His Majesty’s Procureur for advice on any legal or constitutional implications.
- d) The financial implication of carrying out this amendment would be a reduction in proposed net expenditure as outlined in the amendment.
- e) Drafting advice has been sought from the States’ Greffier.

Explanatory Note

This amendment would hold the 2027 budget for the Overseas Aid & Development Commission at the level approved by the States in the 2026 Budget. That level remains above the Commission's anticipated expenditure for 2026, so the amendment would not reduce the funding available for the Commission's planned activity. The reductions of £595,000 (Proposition 16) and £638,000 (Proposition 17(b)) would be reflected in a corresponding reduction to the aggregate Committee net expenditure in each Proposition.
