| 1 | Will the President confirm that Sixth Form Students will not be allowed to park at La Mare de Carteret High School under the current plans to move the Sixth Form from Les Varendes, and that this has the potential to be a serious problem for beach goers if Sixth Form students use the popular nearby beach car parks during the day? |

\*As agreed by Resolution VIII (2) of 21<sup>st</sup> February 2024, the General Updated Statement by the President of the Policy & Resources Committee will be given after the lunch recess.

2	The recently released second Annual Report on 'Our Education Strategy' restates 'Equity' as a top priority, but almost exclusively reports on performance of the state-maintained sector, and not the independent schools, which account for almost a third of secondary education in Guernsey. Does the committee acknowledge a growing disparity between provision in state maintained schools and independent schools, and if so, is the committee ambitious to close the gap?

1	What consultation was undertaken by HM Government with the States of Guernsey prior to the inclusion of a permitted extent clause (clause 12) in the Safety of Rwanda (Asylum and Immigration) Bill?
2	What representations have been made by the States of Guernsey and to whom in respect of the inclusion of a permitted extent clause (clause 12) in the Safety of Rwanda (Asylum and Immigration) Bill?
3	Given the inclusion of a permitted extent clause in the UK's Fisheries Act 2020 without the prior consent of insular authorities in the Bailiwick, does the Committee have concerns that HM Government is stretching constitutional convention?

---

**From:** Deputy De Lisle                      **To:** President, Committee *for* Economic Development

---

- 1 The latest Travel & Visitor Annual Report 2023 shows that visitor numbers have slumped compared with 2019. Given the increasing concern of the hospitality industry what measures are being put in place by Economic Development to grow visitor numbers and improve the visitor economy.
