6. QUESTIONS

From: Deputy St Pier

To: President, Health & Social Care Committee

- 1 In an email sent to the Chief Executive and Head of the Public Service last week, copied to me and shared with permission, one family wrote: *"My plan...had been to request a meeting with you...Sadly, events of last week make me feel like I am not necessarily safe to do that, for fear of being accused of harassment...However, with the events of last week, most families feel renewed terror about speaking out. I do not exaggerate when I use the word 'terror'. Those of us who already feel exposed and unsafe in the system feel even more so."* Does the President agree that urgent action is required to build public confidence and faith in States

	regulatory, governance and complaints processes and to remove any fear or repercussion for those engaging with them?
2	What steps has or is the Committee taking to review the joint HSC/MSG complaints policy and processes?

From:	Deputy Sloan	To:	President, Committee <i>for</i> Economic Development

From:	Deputy Gollop	To:	President, Committee <i>for</i> Housing
--------------	---------------	------------	---

1	Are housing beyond the recent update specifically working on a joint working safeguarding workstream to ensure newly released prisoners can access safe appropriate and affordable accommodation?
2	Beyond the excellent improvement in Action for Children accommodation in the Housing committee focused on my working on a collaborative partnership with the third sector and other agencies in improving accommodation for sofa surfing homeless young people?
3	Will Housing provide a consultation paper and workshop for States members and other stakeholders regarding the future options for redesigning St Julian's House?

From:	Deputy Ozanne	To:	President, Policy & Resources Committee
--------------	---------------	------------	---

1	Given the rising level of funeral poverty on the island, why has the Policy and Resources Committee just announced their intention to double the cost of a death certificate from £20 in 2024 to £40 in 2026, well above inflation and not in line with the death grant increases, without any consultation with funeral directors?
