6. QUESTIONS

From:	Deputy Taylor	To:	President, Committee for Economic Development
--------------	---------------	------------	---

- 1 In response to questions in this assembly on 22nd January 2025, Deputy Inder stated:

"We've got to get horse boxes, cars, cyclists and sportsmen and women inter-island, and both islands are absolutely keen to deliver on that."

Deputy Inder also confirmed that officers of the Committee for Economic Development have been directed to work with their counterparts in Jersey to establish a "workable solution".

Given the importance of inter-island vehicle and pedestrian travel, will his committee be seeing to run another joint tender for inter-island travel?

From:	Deputy Taylor	To:	President, States' Assembly & Constitution Committee
1	Rule 10.(5), Rule 11.(2)(b) & Rule 14.(1) require questions posed to a committee be on a matter, or relating to a matter, which falls within the mandate of the committee being questioned. Where the matter being referred to related to a current committee mandate, but the matter itself predates the committee's responsibility (i.e. there has been a transfer of mandate between committees) – which committee bears responsibility for answering the questions?		
From:	Deputy Gollop	To:	President, Development & Planning Authority
1	The current Gov.gg website today (28th Jan) indicates the current open planning meeting agenda is set for Monday 22nd July 2024 on Longue Hougue quarry, the previous part meeting on the north side quayside area on 18th June. Are any future open planning meetings scheduled and have the criteria of key public interest changed as the latest important Leale's Yard plans were internally approved?		
2	The new UK Government who believe in growth want less local democracy in planning decisions and more strategic focus on housing and infrastructure. Will the DPA Committee be following, monitoring and benchmarking this debate and change of outlook?
