6. QUESTIONS

From: Deputy Gollop

To: President, Committee for Employment & Social Security

- | | |
|-------|--|
| 1 | Would the President of the overseeing principle committee for Employment & Social Security Committee confirm that the political board has no mandate, ability, or role in overseeing, interfering or changing a decision of a statutory officer with appropriate responsibilities such as the Health and Safety Executive? |
| <hr/> | |
| 2 | However, is it possible for politicians and the public to appeal and ask for constructive mitigation and risk reduction strategies if the risks behind a delayed prohibition notice can be significantly reduced and alleviated? |
-

From: Deputy Gollop **To:** President, Committee for the Environment & Infrastructure

- 1 The community are grateful to Deputy De Sausmarez and her committee for the engagement and interest shown in looking at possible solutions to the Health and Safety prohibition notice on the Diving platform at the Ladies Bathing pool, but will the committee confirm that they are open minded in finding a viable way forward to satisfy all the stakeholders that manages risk in conjunction with the team at Agriculture, Countryside and land management?

 - 2 Will the Committee consider possible solutions that involve private finance. Volunteer help with deepening the pool rock, stone relocation, and that there are no legal licensing obstacles or other barriers to a safe risk appropriate solution that complies with modern safety standards and does not pose disproportionate risk?

 - 3 The HSE states risk compliance with avoiding the risk of serious injury or worse. Can the Committee consider not just deepening the pool to 3.2 metres but also coordinating a lifeguard service voluntary or professional?
